

# New York Stock Market

New York, January 23.—Stocks were lower for a time after the opening today but the depression was of short duration, in spite of efforts to undermine the market. Speculative interest was not after the market had cleared its initial heaviness, and the market was less than most of the day.

The market was a reflection of unfavorable developments over night. They concerned United States Steel chiefly, and several blocks of the stock were thrown upon the market in the first few minutes, but the price declined only fractionally. Chief emphasis was laid upon the report of the Corporation's chairman, advocating segregation from the Steel Corporation of its railroad properties.

The filing with the Attorney-General at Washington of a petition for dissolution of the American Telephone and Telegraph Company gave traders for the short side of the market more ammunition, but this move affected only the stocks of the telegraph and telephone companies.

The most active of the leading stocks was Reading, which more than made up its loss of the previous day, and which was marked on the price to-day. The quotation was advanced 2 points in the first hour, although it subsequently lost a large part of the gain. Some of the other leaders, including Central Railroad of New Jersey, Chesapeake and Ohio, and Erie first preferred, continued their recent advances.

The bond market was steady. Total sales, par value, \$1,500,000. United States 4 per cent, coupon, declined 1/8 on call.

Total sales of stocks were \$21,200,000.

New York, January 23.—Money on call steady at 1 1/2-1 3/4, ruling rate 1 1/2-1 3/4, closing bid, 1 1/2-1 3/4. Time money steady, sixty days, 2 1/2-2 3/4 per cent, six months, 3 1/4-3 1/2 per cent, three months, 3 1/4-3 1/2 per cent. Sterling exchange steady, with actual business in bankers' bills at \$1110 for sixty-day bills, and at \$1110 for demand bills. Gold, \$100.00 for \$100.00. Mexican dollars, 16.
